GOOD TO KNOW

Is the room included? Yes — with Food & Setup there's no rental fee. The \$150 an hour is only if you want the room and nothing else.

What's added to the price? 18% service and sales tax. On the \$19.95 package that's about \$25 a guest, all in.

Can we bring a cake? Yes.

Can we decorate? Bring your own, or we'll source it and set it up for you.

What if extra people show up? Your 5-day headcount is what you pay for. Up to five extras, no problem — we'll feed them and add it to the final bill.

Kids? Under 5 eat free. After that, if they can hold a plate, they're a guest.

Parking? Private lot out front with 20 spaces, plus street parking. Valet available for larger parties.

Need to cancel? Full refund 8+ days out. Inside 7 days we keep the deposit; inside 48 hours, 50%. Move the date instead — once, up to 48 hours out — and we move everything with you. No penalty.
